FIRST ASSISTANT SECRETARY TO GOVERNMENT
8-AUG 1955
AGRICULTURE DEPARTMENT

Through
The Proper Channel.

Honoured Sir,

Sub: Establishment - Fisheries - Madras Fisheries subordim to service - Petty Yard Officer Sri Kapil Abdul Qadir - exempted from minimum Educational Qualifications requested.

Ref:
1. My petition dated 5-8-1951.
2. G.O. Ms.No.3097 development d/19.7.1952.
3. G.O. Rt. No. 2[illegible] development d/27.6.1953.
4. My petition dated 12.9.1953.
5. G.O. Ms. No. 13[illegible] Agriculture d/24.4.1954.

DEPUTY SECRETARY
7 AUG 1955
AGRICULTURE DEPARTMENT

I submit the following few lines for your honours kind perusal and favourable orders.-

I am a S.S.L.C. holder of Madras University having completed the examination in the year 19[illegible]. I joined the Madras Fisheries Department as Petty Yard Officer in the Madras Fisheries Subordinate service and later regularised with effect from 1.8.1944. I have completed my probation and was declared as an approved probationer in the post of Petty Yard Officer. After 3 years of service I was promoted as Supervisor of Deep Sea Fishing Units with effect from 1.8.1947 and continued as such till 22.3.1950 when the posts were abolished. Consequently I was again reverted as Petty Yard Officer in which post I am now continuing to serve. Thus I have put in a total service of 11 years in the department. I submit that I belong to the backward community of Mappilla (Muslim fishermen of Malabar and South Canara Coast). With much difficulty I was educated and I completed the Madras S.S.L.C. examination. Due to my poor family circumstances I did not have the benefit of proper educational facilities and hence to my ill-luck I received the following marks in the public examination.-

P.T.O.

English	...	40
Second Language	...	37
Mathematics	...	50
Elementary Science.		38
Histories & Geography		24
Physics	...	39

For want of 3 marks in the language and 6 marks in the Histories & Geography subjects, I could not be considered as possessing the minimum general educational qualification for further promotion. I could not further study and obtain the necessary marks in the subjects due to my poor domestic circumstances and naturally I was put to much hardship.

According to the special rules for the Madras Fisheries Subordinate Service, Petty yard Officers, who have put in a total service of 5 years and who possess the minimum general educational qualification, are eligible for promotion as Sub Inspector. Due to my obtaining lesser marks in the two subjects mentioned above I was not considered for promotion as Sub Inspector though I am otherwise fully qualified. Hence I submitted a petition requesting to exempt me from the possession of minimum educational qualifications and to enable me to get promotion to the higher post as Sub Inspector in view of my poor circumstances & backward community. My petition was recommended to the Government for orders along with similar petitions from some more Petty yard Officers by the ex-Director of Fisheries, Madras. But the Government had negatived the proposal and asked us to pass the educational test of the S.S.L.C. Standard conducted by the T.P.S.C. and thus qualify ourselves for promotion. I submit in this connection that I belong to the poor backward community and working in the remote fishing villages far removed from the literate population and being poorly paid, have neither facilities for further study nor any financial means to prosecute studies by Postal system. Thus I had to struggle hard for existence and could not qualify as kindly advised by the Government.

Later another Petty Yard Officer by name Sri K. Raman who studied upto IV or V form and whose case for similar exemption was also recommended along with my petition was exempted from minimum

Contd.

3

minimum educational qualification and rule 5 of the Madras Fisheries Subordinate Service Rules was relaxed in ~~the~~ his favour enabling him to be regularly promoted as Sub Inspector by the benign Government in G.O. Ms. No. 2095 Development dated 27.6.53. Though I am much more qualified and have acted on promotion as Supervisor of Deep Sea Fisheries units, than the above said Sri K. Paran, I was not given the benefit but was discriminated against and was put to much disadvantage. Hence I submitted another petition on 12.9.1953 to the Chief Secretary to Madras Government. To my ill-luck this was also rejected by the Government in G.O. Ms. No. 1381 Agriculture dated 24.4.1954. Hence I submit this as my appeal to your Honour's kind consideration.

In conclusion I submit to your Honour that I am already aged 31 years and my family circumstances, financial means and professional conditions do not permit me to be, once again studious and to pass the competitive tests to make myself qualified and request your Honour, in consideration of my long service of 11 years in the department, to kindly pass orders exempting me from possessing the minimum educational qualification and to enable me to be regularly promoted as Sub Inspector/Assistant Fishery Demonstrator.

For which act of kindness to this humble and backward candidate, I shall ever be grateful.

Yours faithfully,
Kapil Ahadi

M.F.S.S. - Kapil Abdul Quadir -
(Sr.) Petty yard Officer - Rule 5
of the Spl. Rules for M.F.S.S. Relaxation
Ordered.

Read: from the Addl. Dte Lr.No. 12992/C1/51
dt. 28-10-55.

G.O. Ms No. 502 Agriculture dt. 24-2-56

Sri Kapil Abdul Quadir is a regularly employed as Petty yard Officer in the M.F.S.S. from 1-8-44. He does not possess the minimum general educational qualification and he is not, therefore, eligible for promotion as Sub Asstt., under rule 5 of the Spl. Rules for M.F.S.S. He has now represented that under his present family circumstances, financial means and professional ~~Constitution~~, he is finding very difficult to acquire himself the necessary qualification for promotion to the post of Sub Asstt. He has therefore requested that he may be granted exemption from possessing the minimum General educational qualification, as required under Rule 5 of the Spl. Rules for M.F.S.S

12

in order to enable him to be regularly promoted as Sub Inspr. The Govt. have examined the request of the Subordinate and decided that it should be complied with in view of the Lawful and Minor to count of the fact --

2/ In exercise of the powers conferred by the rule 48 of the General Rules contained in Part II of Madras State and Subordinate Services Rules in Vol I of the Madras Services Manual 1956, the Governor of Madras hereby directs that rule 5 of the Special Rules for [illegible] of M S M Vol II Madras Fisheries Subordinate Service Rules be relaxed in favour of Sri Kapil Abdul Quadir, Petty Yard Officer in the Madras Fisheries Subordinate Service in order to enable him to be regularly appointed as Sub Inspector of Fisheries, by promotion

DS to the V. and Law and Rev VGR

AGRI. (E.I.) DEPT.

(Issued as Memo.No.12992 CI/55-1 dt.12.10.55 to D.I.&C.)
(From the Addl.D.I.&C. Lr.No.12992 CI/55 dt.28.10.55).

To A.S:

The file deals with the request of Sri Kapil Abdur Khadar, Petty Yard Officer in the Fisheries Dept. that he may be exempted from possessing the minimum general Educational Qualification in order to enable him to be regularly promoted as Sub-Inspr. of Fisheries.

2/ Sri Kapil Abdul Khadar is working in the Fisheries Dept. as Petty Yard Officer from 1.8.44. He is at present aged about 31 years. He does not possess the minimum general educational qualification, and therefore he is not eligible for promotion as Sub Inspr. of Fisheries or Asst. Inspr. of Fisheries. In 1951 the then D.F. proposed that Sri Kapil Abdul Khadar along with certain others might be granted exemption from possessing minimum general educational qualification in order to enable them to be regularly promoted as Sub Insprs. of Fisheries. The Govt. did not accept the proposal of the D.F. but they directed that those subordinates might appear and pass the general educational test conducted by the commission and get themselves qualified for promotion. In May 1953 one Sri K. Raman, a Petty Yard Officer requested that he might be granted exemption from possessing the minimum general educational qualification for promotion as Sub Inspr. of Fisheries. In view of his old age (he was 41) and the fact that he belonged to the Fishermen community, the Govt. granted him the exemption sought for as a special case. Thereupon Sri Kapil Abdul Khadar and certain other Petty Yard Officers again put in petitions that the concession shown to Sri Raman might be extended to them also. But it was again observed that Sri Kapil Abdul Khadar and others were only below 35 years of age and that none of them had attempted to acquire the qualification themselves as

4

already directed by Govt. The Govt. therefore rejected their request. Attention is now invited to the present petition from Sri Kapil Abdul Khadar on pp.1-3 c.f. wherein he has stated that his family circumstances, financial means and professional conditions do not permit him to be once again studious and pass the test conducted by the M.P.S.C. and get himself qualified for promotion. He has therefore requested that in consideration of his long service and the fact that he belonged to backward community (Hindu Mopilla) he may be exempted from possessing the minimum general educational qualification for promotion to the post of Sub Inspr. of Fisheries.

3 Kind attention is now invited to the remarks of the Addl. D.I. & C. at p.7 of wherein he has stated that there are no new facts in his present petition in order to reconsider the orders already passed in the matter and that the A.D.F. Mangalore does not recommend his case as his work has not been satisfactory. Attention is also invited to the extracts from the letter from the A.D.F. Mangalore given at 'M' on p.7 c.f. The Personal file of the petitioner is also put up below. It is for orders whether the request of the petitioner for the grant of exemption from possessing the minimum general educational qualification will be complied with or

(ii) whether in view of the fact stated at 'M' on p.7 c.f, the petition will be rejected.

[Pub.(Ser) may see before circulation if it is proposed to grant exemption]

11/11/55

12/11/55

For the reasons stated at 'M' on p 7 CF, the Addl. D.I.& C. says that there is 'absolutely no justification' for granting the request of the Petty Yard Officer. The petition may therefore be rejected.

16/11/55

D.S.

(with P 7)

Attention is invited to M(A) made on p 1/c Sri Mogral Met also saw me in that connection & said that the Govt was moving Government against the Fisheries order & some local Fishers.

The entire file shows that the Fisheries an intelligent man but careless in his work.

The Govt need not agree to the grant of the exemption & Pub (SD) agree.

ASSISTANT SECRETARY TO GOVERNMENT
CHIEF SECRETARIAT

Agri no 78192 E7 dt. 4-11-55.

Public (Services-D) Deptt.

The note of Agri. from page 3 ante may be perused.

2. The Agri.Deptt.'s note on pp.3-4 ante explains the history of this case. The case of Sri Kapil Abdul Qadir, Petty Yard Officer, for exemption from the possession of the minimum general educational qualification by relaxing rule 5 of the Special Rules for the Madras Fisheries Subordinate Service has already been considered twice and rejected. His case along with some others was first represented to the Govt. ~~with some others~~ in 1951 by the then Director of Fisheries. The proposal of the Director of

∝ p 80 ygbx 114

Vide M & N on pp 3-4 ante

p.t.o.

Fisheries was not accepted and it was also suggested to the D.F. that they might be asked to appear for the general educational test conducted by the Commission and get themselves qualified for promption. The D.F. agreed to this suggestion. The petitioner did not appear for this test but again made a request to Govt. in 1954 for relaxation of the qualification rule in his favour. In view of the fact that he did not make any attempt to pass the test and also in view of his young age, his request was again rejected. - please see this department's note, the summarising note of Agri. and the orders in circulation thereon on pp.5-10 n.f. of (M). It appears from this petition at pp.9-10 c.f. that even after the orders rejecting his previous requests were passed, he had not made any attempt so far to pass the educational test conducted by the Commission. But he expresses his inability to do so in view of his family circumstances, financial means and professional conditions. The reasons advanced by him are not tenable. Eventhough he has stated that he belongs to a Backward Community (Mapilla), he failed to obtain the minimum number of marks in two subjects. Besides, it is also stated that his work is not satisfactory and the Director of Industries and Commerce also has not recommended his case. If the request for relaxation is conceded in his case, it has to be extended to the other petty officers whose requests were

(Contd)

also negatived in the G.O. at (M). The case of Sri Raman, cited by the petitioner as a precedent, is not similar to the case of the petitioner. The relevant rule was relaxed in favour of Sri Raman in view of his age (41 years) and the fact that he belonged to the Fisherman Community and his work was reported to be good. The petitioner who also belongs to a Backward Community, on the other hand, is still young (31 years) and his work has not been found satisfactory. The A.D.I.& C. and A.D.F. do not recommend his case. This deptt. may, therefore, advise against the proposal. If, however, Agri. desire to press the proposal, they may be requested to circulate the case to C.M. also setting out the view taken by this deptt.

3. Incidentally, it also appears that the petitioner has attempted to bring political influence to bear upon the superior authorities for the furtherance of his interests by representing his case through an M.L.A. and this act of the petitioner contravenes rule 24 of the G.S.C.Rules. Agri. may consider taking suitable action against him for this.

4. The file may be returned to Agriculture.

C.No 5068.
Thro' Public (Services-C).

His case has been amply considered before and found to be not deserving of relaxation. Nothing new has been brought forward.

. The file deals with the request of Sri. Kapil Abdul Quadir, Petty Yard Officer in the Fisheries Department that he may be exempted from possessing the minimum general educational qualification in order to enable him to be regularly promoted as Sub-Inspector of Fisheries.

2. Sri. Kapil Abdul Quadir is working in the Fisheries Department as Petty Yard Officer from 1st August, 1944. He is at present aged about 31 years. He does not possess the minimum general educational qualification, and therefore he is not eligible for promotion as Sub Inspector of Fisheries or Assistant Inspector of Fisheries. In 1951 the then Director of Fisheries proposed that Sri. Kapil Abdul Quadir along with certain others might be granted exemption from possessing minimum general educational qualification in order to enable them to be regularly promoted as Sub-Inspector of Fisheries. The Government did not accept the proposal of the Director of Fisheries but they directed that those subordinates might appear and pass the general educational test conducted by the Commission and get themselves qualified for promotion. In May, 1953 one Sri. K. Raman, a Petty Yard Officer requested that he might granted exemption from possessing the minimum general educational qualification for promotion as S.I. of Fisheries. In view of his old age (he was 41) and the fact that he belonged to the Fishermen community, the Government granted him the exemption sought for as a special case. Thereupon Sri. Kapil Abdul Quadir and ~~certain~~ others ~~Petty Yard Officers~~ again put in petitions that the concession shown to Sri. Raman might be extended to them also. But it was again observed that Sri. Kapil Abdul Quadir and others were only below 35 years of age and that none of them had attempted to acquire the

qualification themselves as already directed by Government. The Government therefore rejected their request.

P39 of (M)

3. Attention is now invited to his present petition at Pp. 1.3 o.f. Sri. Abdul Quadir has stated that his family circumstances, financial means and professional conditions do not permit to be once again studious and pass the test conducted by the Madras Public Service Commission and get himself qualified for promotion. He has therefore requested that in consideration of his long service and the fact that he belonged to a backward community (Moplah) he may be exempted from possessing the minimum general educational qualfication for promotion to the post of Sub-Inspector of Fisheries.

Complying

4. The Addl. Director of Industries and Commerce has stated that there are no new facts in his present petition in order to re-consider the orders already passed in the matter and that the Assistant Director of Fisheries, Mangalore does not recommend his case as his work has not been satisfactory.

Comp 7 of

— " —

5 This Department observed that the confidential file shows that the petitioner is an intelligent man but careless in his work, and ~~therefore~~ lent proposed that the exemption sought for need not be ~~proceed~~ objected to.

X comp 5 above

6 The Public (Services) Department have observed that the reasons stated by the petitioner for not having made ~~any~~ attempts to get himself qualified are not tenable, that even though he has stated that he belongs to a Backward Community, as he has failed to obtain the minimum number of marks in ~~this~~ two subject, the case for relaxation does not seem to be strong, that if the request for relaxation is conceded in this case, it has to be extended to the other Petty Yard Officers whose requests have also been negatived previously. They have therefore advised against the proposal. They have also pointed out that the petitioner has contravened Government Servants' Conduct Rules by his having attempted to bring in political influence through an M.L.A. for

M comp 6 above

" "

para 3 comp 7 above

furtherance of his cause and has suggested that this Department may consider the question of taking suitable action against him.

In the first instance it is submitted that it does not seem necessary to take any action against the petitioner for his having tried to bring in political influence through an M.L.A For orders.

As regards the request of the petitioner for relaxation of the qualification rule, it may be pointed out that other Petty Yard Officers similarly placed may also come up for the same concession. It is also submitted that in having relaxed the qualification rule in favour of Sri. M. Raman, Petty Yard Officer, it does not seem that there has been any disorimination against the petitioner, in view of the fact that Sri. Raman was 41 years old at that time while the petitioner was only 30 years. In the circumstances it is for orders

(i) whether this Department's proposal that the qualification rule may be relaxed in favour of Sri. Kapil Abdul Quadir be relaxed in order to enable him to be regularly appointed as Sub-Inspector of Fisheries will be pressed in circulation

or

(ii) whether the request of the petitioner will be negatived as suggested by the Addl. D.S.

'A' above may be approved.
'B' above is for orders.
